PHOENIX SAFE 44" LATERAL FIRE FILES

Lateral files blend elegantly with any environment while providing superior fire protection for key records and documents.

- Available in two, three or four drawer models, the files are capable of filing both legal and letter size documents.
- Files include a special interlock system that allows only one drawer to be opened at a time to prevent tipping.
- The files are tested by UL and carry the Class 350 - 1 hour fire resistant rating, making them perfect for storing paper records.
- Drawers are steel-lined to keep insulation out-of-sight!
- Includes key lock for privacy.
